## deerlake middle school

MyGirlsRock.com is teaming up with the **RED ELEPHANT** and **DEERLAKE MIDDLE SCHOOL** to reach their booster goal and to raise money for one of their own students. Jake Crumpaker, 13, an eighth grader at Deerlake Middle School was diagnosed with Ewings Sarcoma in February 2010. He started treatments at Shands Hospital in Gainesville, Florida in March 2010. After surgery in June and more treatments, he was cancer free in October. Jake will be able to return to school in January 2012 and will participate in baseball in the spring.
