MyGirlsRock.com is pleased to be a part of The Red Elephant family. Founded in 2006, The Red Elephant Pizza and Grill started from a unique childhood toy - a red elephant doll. This adorable toy, became the cornerstone of what is now a Tallahassee favorite dining establishment.

The founders of The Red Elephant Pizza and Grill strive everyday to create the comfort and enjoyment of childhood in everyone of their restaurants. After all, no matter how old you are, we all need that one special place where we can sit back and relax while enjoying a great meal.

"We love to support local businesses in our community and most importantly our customers. Look for the MyGirlsRock.com product currently at our Kerry Forest location in Tallahassee!"
